

### Application

Test and drain valve provides both the test and the drain function for wet sprinkler systems. The design and production of test and drain valves are guided by the NFPA-13 standard.

### Descriptions

#	Parts
1	Brass Body
2	Leakage Part
3	Metal Ball
4	Connection Nut
5	Oring
6	Indicator Part
7	Spring
8	Ball
9	Indicator Plate
10	Nut
11	Handle

Available Size	DN25 / 1"	DN32 / 1 1/4"	DN40 / 1 1/2"	DN50 2"
Product Code	TDV	TDV	TDV	TDV

### TYPICAL APPLICATION

#	Descriptions
1	Butterfly Valve With Supervisory Switch
2	Check Valve
3	Flow Switch
4	Manometer
5	Test And Drain Valve
6	Fire Sprinklers
